

March 2010

Students:

It's our 31th anniversary as a leader in music, dance, and stagecraft. We are seeking college students and young adults for the position of camp counselors for the 2010 Showchoir Camps of America. The camps will be held June 19 - 26 at Millikin University in Decatur, Illinois and July 10 - 17 at Heidelberg College in Tiffin, Ohio. These positions are for one week at one or more locations.

Students and directors from more than thirty-five states will participate in an intense week of vocal and dance training in the field of show choir. It is one of the largest and most professional camps of its kind. Our teaching staff consists of professional composers, vocal conductors, entertainers, and choreographers from across the country. The counselors will be responsible for junior and senior high school age students involving all activities from assisting in musical rehearsals to chaperoning evening activities as well as dorm supervision.
